April 2010 California Trip Home Clinic Tour!

Dear WHR Friends of California... WHR Horse Clients, past WHR School Students and ... admirers of the Art of Finishing Horses

You are invited to join us **Saturday, April 17th in Santa Paula, California** at the historic **Aliso Ranch** for a Special Horsemen's event. An afternoon of Free Bridle Horse Training Demonstrations in which we will be using and previewing a few of our current WHR Versatility Ranch & "Cadillac" Trail geldings offered for sale.

In addition, **Aliso Ranch Stables is hosting** a public 2-3 day From Foundation to Finished Horsemanship clinic the following weekend, **April 24-25th** and a Cow Working clinic **Monday April 26th**.

This is the first public clinic we have held in years, so take advantage of this rare opportunity. If you have always wanted to share with your friends, the WHR experience you enjoyed with us in the past, then bring them along and sign up for this clinic! We are only taking 10 participants and will also have it open to spectators as well, which we prohibit in our Schools at our ranch locations. We always do our best to accommodate everyone's needs and will see to it that it will be a "learning experience like no other"... that's our motto!

We will be staying there at Aliso Ranch that week of the 17th thru the 26th if you would like to make an appointment for a private mid week consulting/coaching session as well or to arrange a private viewing, if interested in one of our geldings for sale. It is perfect opportunity to do this in your own area rather than having to travel the distant to our Oregon or Arizona locations.

Enclosed is the flyer with contact info and times. Looking forward to seeing you in Santa Paula in April! We advise signing up as soon as possible and have your payment for clinic in by April 5th.

Sincerely, Beverly & Wil
